

Application No. 09/594,213
Lorenzen et al.
Amendment After Final

REMARKS

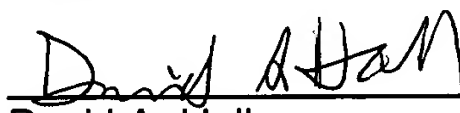

In the pending Office Action mailed December 28, 2005, the Examiner allowed claim 40, and rejected claim 39. The indication of allowable subject matter is appreciated. With this Amendment After Final, applicants have canceled claim 39. Thus, only allowed claims remain in this application. Applicants request entry of this Amendment After Final and a notice of allowance for claim 40.

Applicant reserves the right to file continuation applications directed to the canceled claims and subject matter of this application. Reconsideration and further examination of the application are requested.

Respectfully submitted,
